About Me	<p><i>By-the-book description:</i></p> <p>I am oh soooooo HOT! This is the daintiest girl ever made! So pretty and simple. No reserve bid.</p> <p><i>Alternative description:</i></p> <p>Hi, my name is Kaitlin. I just moved here from California so I'm new to the area and am looking to meet new people and hang out and see what Vancouver has to offer. So far I only know people from work and they're all kind of weird. I mean, I'm not weird or anything. I shouldn't even be there! It's a long story.</p> <p>How can someone say they'll love you forever and you'll do anything for them and then just drop you like that because you gained a few pounds? People in general, I mean.</p> <p>Anyway, I'm looking for someone who, like myself, enjoys actually doing something versus sitting around and... I dunno, tanning?</p>

About Me	Oh, I don't know what to write! These things are so hard. Is it ok if I say "I"? Maybe I should just call my son Ethan. He works with computers! Such a hot shot... even though he fusses like he's not happy when I drop by. If only he could find a real job like his brother. Or a girlfriend. Sometimes I wonder if I'll ever be a grandmother. Oh well, one outta two ain't bad.
